Business Phone Lines

A CANADIAN FIRST!

FREE BUSINESS PHONE LINES

The Fibernetics Digital PBX Platform is the only system on the market with a return on investment. The money you save by not paying for phone lines pays for your system.

CONSIDER THIS

- Ultimate Voice Quality
- 100% Reliability / Survivability
- Give your Practice the Telephony features it needs.
- Build your telephone system around your Practice - Not your Practice around your telephone system.

FACTS

- All incoming calls are guaranteed to be answered.
- You will save between 50% - 80%
- Our voice network is connected physically & directly to the Public Telephone Network.
- We have visibility at every point of the call.
- We are the voice and data network provider and manufacturer of the system.
- We control the call path from start to finish - There is no hand-off or 3rd party involved.
- Keep all existing phone numbers.
